Subject: EC grant permission for comms spend November 2020

Hi [REDACTED],

We are content for up to £6000 (six thousand) of funding from the budget in the attached S12 letter of 29 April to be used for the publication of a Clued Up Magazine subject to DfT reviewing the comms material before publication. The overall grant in 2020/21 remains up to £378,559.

Could you please report the comms spend as a separate expenditure line when invoicing us - but using the same purchase order as the resource costs. Please consider this email as the permission to spend the money unless the CAA require a more formal grant amendment letter.

Many thanks,

[REDACTED]
