Our proposals

Securing the airfield's future

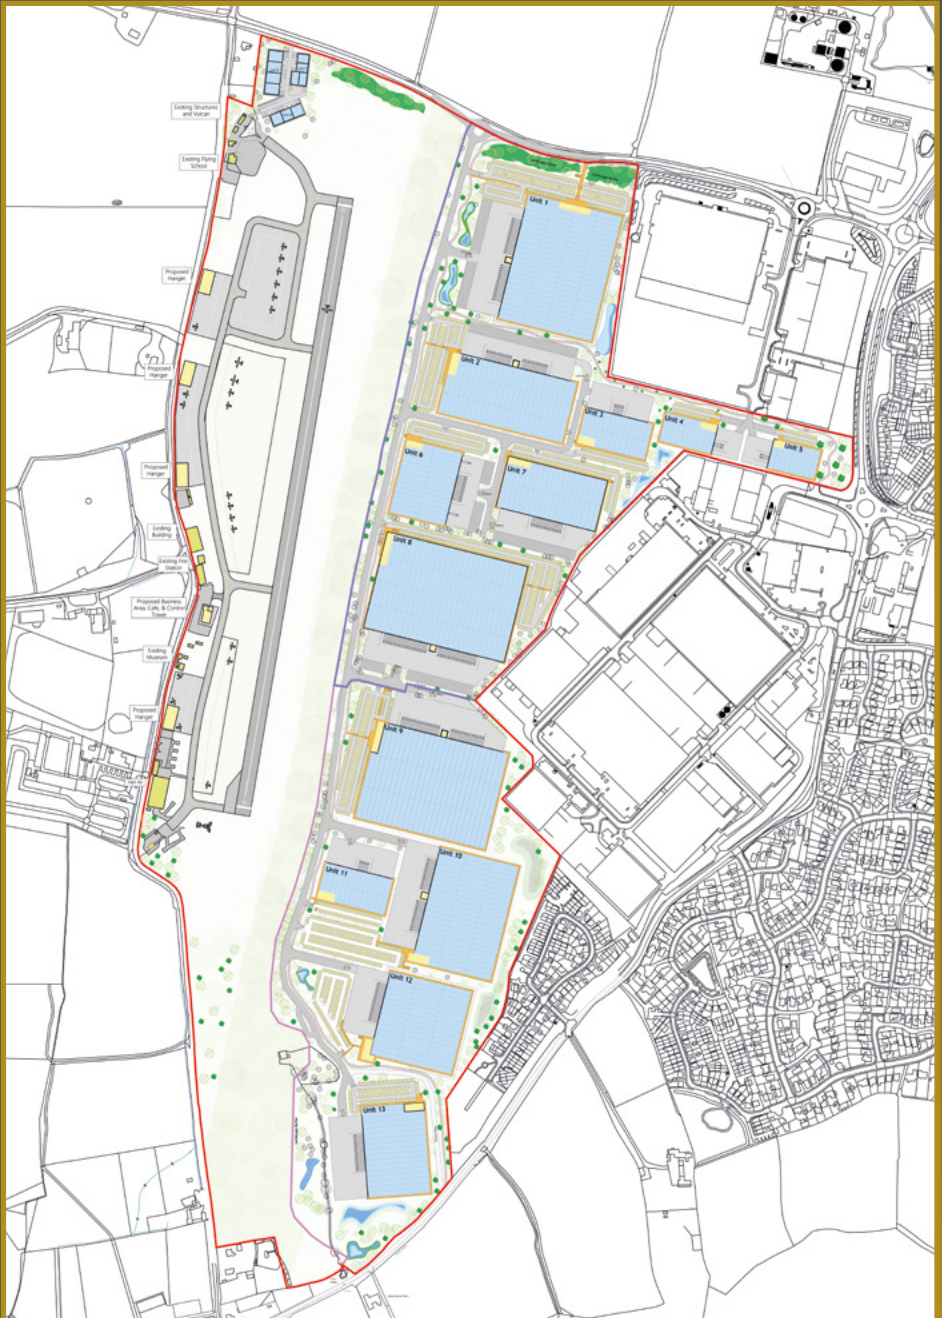

We've unveiled plans to help secure the future of Wellesbourne Mountford Airfield. Our proposals provide an opportunity to embark on a new chapter in the history of the airfield and are aimed at ensuring its longevity and financial sustainability.

To enable this, significant investment will be made in providing a new runway and enhanced airfield facilities, in order to attract additional recreation and business usage, more airfield tenants and a commercial operator. By relocating the runway further to the west, more of the underused part of the airfield can be redeveloped.

Our proposals include

- A new realigned runway built to modern standards.
- New hangers, aircraft parking and maintenance facilities, along with a new control tower, a check-in area, waiting lounge and café.
- Areas of the new airfield safeguarded for future airfield tenants.
- A new high-quality employment development, delivered by Stoford, that will generate significant job opportunities.
- New flexible industrial floorspace to meet a variety of smaller needs accessed independently from Stratford Road.

Indicative site plan

Take part in our public consultation

We would like to hear your views before we submit a planning application to Stratford-on-Avon District Council in the coming weeks.

In order to provide you with further information about our proposals, we are holding public consultation events at **Wellesbourne Methodist Church, Bridge Street, Wellesbourne CV35 9LR**, on:

Wednesday 6th September, 5.30pm-7.30pm

Thursday 7th September, 2.30pm-7.30pm

You can also learn more about our plans and provide feedback via our consultation website, which will launch on Wednesday 6th September:

www.wellesbourneairfieldconsultation.co.uk

The public consultation closes on Friday 22nd September. All feedback submitted will be analysed and considered before we finalise our proposals and submit a planning application to the Council.

About us

These proposals are being brought forward via a partnership between strategic land promoter, Gladman, and Midlands-based leading commercial property developer, Stoford.
